Memorandum
Manager's Office

TO: The Honorable Mayor and
Board of Trustees
Village Clerk
Corporation Counsel

FROM: 
John T. Lockerby, Village Manager

DATE: March 2, 2023

SUBJECT: **MANAGER'S REPORT**
BOARD MEETING OF TUESDAY, MARCH 7, 2023

A. Proposed Ordinance Amendment for Feeding of Wildlife or Birds (Section 18-11) and Number of Dogs (Section 18-39).

Attached is a memo from Health and Human Services Director, Michael Charley and Police Chief, Brian Baker in regard to amending the Village's ordinances for feeding of wildlife or birds and number of dogs. The Village regularly reviews ordinances to evaluate the purpose and needs.

Staff is recommending that platform feeders be prohibited. Platform bird feeders attract the widest variety of nuisance species as well as the greatest number of birds. The Village has observed an increase in nuisance species in recent years including rats, squirrels, raccoons, opossum and skunks. Bird feeding has been identified as one of the top contributing factors and this recommendation is one of several strategies to reduce this nuisance activity.

Staff is recommending increasing dog limitations by one to allow up to three dogs in any single-family residence and lot and up to two dogs in any apartment or condominium. Staff feels that increasing dog limitations will not have any adverse effect on the health and welfare of residents or dogs and is responsive to resident feedback.

I concur with staff's recommendations and respectfully request Mayor and Board approval for Corporation Counsel to prepare the necessary ordinance amendments.

Section 18-11. Feeding of wildlife or birds.
Section 18-39. Maximum number of dogs.

Staff are recommending two ordinance amendments to “Chapter 18 – Animals” of the Village ordinance.

The first, is to increase dog limitations to allow or permit 3 dogs per single-family residence and lot and to permit 2 dogs to remain in or about in any apartment or condominium. Periodically the Village receives interest from residents for increasing dog limitations from two (2) to three (3) dogs in a single-family home. As regular practice, the Village reviews ordinances periodically to evaluate the purpose and needs as well as review how other communities handle such issues. A survey of sixteen (16) other Chicago-area municipalities showed that all those municipalities allowed three (3) or more dogs. Staff utilized this information, analyzed Skokie’s existing ordinance, policies and procedures, consulted with internal staff with specialized knowledge on animal control and responsibility for enforcing the Village’s Animal Control ordinance and it was determined that increasing dog limitations for single-family and multi-family properties was appropriate at this time for the Village of Skokie. In general, it was determined that the health and welfare of the community would not be compromised, but enhanced with increasing limitations. Dogs are well known to be companion animals which provide our residents with love and affection and even make us happier and healthier.

The second, is to prohibit platform feeding of birds/wildlife. In recent years, Skokie has observed an increase in nuisance animals (rats specifically) and bird/wildlife feeding has been found to be a significant contributing factor associated with the increase in rats. The prohibition of platform feeders is just another step the Village of Skokie is recommending taking to reduce and eliminate our nuisance rat and wildlife population.

If the ordinance sections are enacted, staff will monitor its implementation, evaluate the amendment and identify any resulting process/policy improvements that need to be addressed.

Staff justification for recommendation:

1. Section 18-11. Feeding of wildlife or birds be amended to prohibit platform feeding of birds/wildlife.

Staff are recommending that platform feeders be prohibited. Platform feeders means feeders designed for the open placement of feed generally intended for consumption by ground-feeding species. Due to their design and placement near the ground, platform feeders are accessible to nuisance species (rats, squirrels, raccoons, opossums and skunks) and create an undue nuisance to the community. Platform bird feeders are the most non-selective type of bird feeders because they allow easy access by all birds, however they also allow access to the other nuisance species. The bird seed is simply poured into an open platform or tray that any nuisance animal can easily access. Platform bird feeders attract the widest variety of nuisance species as well as the most numbers of birds. The Village has observed an increase in nuisance species in recent years including rats and other nuisance wildlife such as squirrels, raccoons, opossum and skunks. For example, the number of rat cases received by the Village has increased since FY20, and this is one of the strategies to reduce the number of rat cases. Bird feeding has been identified one of the top contributing factors with rats in each of the last three years.

2. Section 18-39. Maximum number of dogs be amended to increase dog limitations to allow or permit 3 dogs to remain in or about any single-family residence, building or lot and to allow or permit 2 dogs to remain in or about in any single-family apartment or condominium, within such person's control, at any one time.

Staff feel that increasing dog limitations will not have an adverse and/or negative affect on the health and/or welfare of residents or dogs within the Village of Skokie. The Village conducted a municipal dog limitation ordinances survey. The survey found that 16 of the 16 municipalities surveyed allowed for 3 or more dogs per residential unit.

If limitations are increased, apartment and condominium property owners have the discretion to modify their leases, bylaws or rules to limit dogs. This ensures that even if the Village increased limitations, that individual property owners would have the authority to govern their properties independent of the Village ordinance.

Finally, the Village has the resources and tools (ordinance, policies, procedures) to monitor and respond to dog limitation issues. The Village can and will respond to all nuisance issues on a case by case basis to ensure that dog owners are responsible pet owners.

**Memorandum
Corporation Counsel's Office**

TO: The Honorable Mayor and Board of Trustees

FROM: 
Michael M. Lorge, Corporation Counsel

DATE: March 1, 2023

SUBJECT: March 7, 2023 Corporation Counsel's Report

***A. Ordinance, Compensation for Appointed Officials, FY2023**

Item **A** is on the consent agenda for second reading and adoption. The first reading was on February 21, 2023.

This ordinance will establish the compensation for the Village Manager, Deputy Village Clerk, Corporation Counsel and Assistant Corporation Counsels for FY2023, pursuant to Chapter 2, Article III, of the Skokie Village Code and is consistent with the Village budget.

***B. Ordinance, Repeal of Various Special Use Permit Ordinances, Multiple Locations**

Item **B** is on the consent agenda for second reading and adoption. The first reading was on February 21, 2023.

This ordinance will repeal special use permit and site plan ordinances that are no longer being utilized. The Community Development Department has conducted detailed review of all active and inactive special use permits and site plan approvals, and has found 18 of them are no longer needed because the respective property is not currently being used in a manner consistent with the ordinance. Notice was mailed to all property owners affected by the repeal and no property owner objected. This reduction in the number of active permits will result in improved enforcement.

***C. Ordinance, Modifications to Previously Approved Site Plan, 8057 Niles Center Road**

Item **C** is on the consent agenda for second reading and adoption. The first reading was on February 21, 2023.

This ordinance will modify a previously approved site plan approval ordinance, for a planned development at 8057 Niles Center Road, by allowing for the construction of a one story addition to a building at the property. This modification is in substantial compliance with the intent of the original site plan approval. will still leave the original site plan approval ordinance.

**AN ORDINANCE PROVIDING FOR THE REPEAL OF CERTAIN INACTIVE
ORDINANCES GRANTING SPECIAL USE PERMITS AND SITE PLAN
APPROVALS AT MULTIPLE LOCATIONS WITHIN THE
VILLAGE OF SKOKIE**

1 **WHEREAS**, from time to time, the Mayor and Board of Trustees of the Village of
2 Skokie have adopted various ordinances granting special use permits (hereinafter "SUP") and
3 site plan approvals (hereinafter "SPA") at different locations within the Village of Skokie; and

4 **WHEREAS**, many of these uses for which the aforementioned SUPs and SPAs were
5 granted no longer exist, were never utilized or are no longer necessary and therefore should
6 be repealed; and

7 **WHEREAS**, the Community Development Department staff has conducted a detailed
8 review of SUPs and SPAs. It has been determined that there are currently eighteen (18)
9 SUPs and SPAs that are no longer applicable because the properties are not being used in a
10 manner consistent with the approving ordinance or are no longer necessary. A brief
11 description of the SUP and SPA Ordinances to be repealed, and the reason for the repeal, is
12 attached hereto as Exhibit "1"; and

13 **WHEREAS**, notices were sent to the property taxpayers of record for the properties
14 affected by the eighteen (18) SUP and SPA Ordinances, notifying them: (i) the ordinance
15 granting their respective SUP or SPA was going to be repealed due to inactivity or it is no
16 longer necessary; and (ii) they should contact the Community Development Department if they
17 objected to the repeal. The Village did not receive any objections; and

18 **WHEREAS**, the Director of Community Development and the Corporation Counsel
19 recommended to the Mayor and Board of Trustees that the eighteen (18) ordinances specified
20 in Exhibit "1", granting the SUPs and SPAs for uses which no longer exist, were never utilized
21 or are no longer necessary, be repealed; and

22 **WHEREAS**, the repeal of these ordinances will reduce the number of active
23 ordinances, thereby resulting in improved enforcement; and

24 **WHEREAS**, the Mayor and Board of Trustees, at a public meeting duly held on
25 February 21, 2023, concurred in the aforesaid recommendation;

26 **NOW, THEREFORE, BE IT ORDAINED** by the Mayor and Board of Trustees of the
27 Village of Skokie, Cook County, Illinois:

1 **Section 1:** That the following Village Ordinances, listed by Village Ordinance
2 Number, be and the same are hereby repealed:
